## Article 2 GRANT

1. This Agreement outlines the terms for:
  - a. granting and paying financial support to the Beneficiary by the Consortium and
  - b. Beneficiary's participation in the Support Programme.
2. The Grant is provided for the Project specified in Article 1, point 1, and described in the application. The application form is Annex 1 to this Agreement.
3. The Maximum Grant Amount is **60000 EUR (in words: sixty thousand EURO), but no more than the amount budgeted in the Application Form.**
4. In addition to financial support, the Consortium will also assist the Beneficiary by providing the Non-Financial Support described in Article 1, point 16.

## Article 3 DURATION

1. The Programme Period is defined in Article 1, point 8.
2. The Beneficiary may request an Extension of the Programme Period if permitted and under the conditions set out in Article 1, point 9
3. The provisions of this Agreement shall remain in effect for ten (10) years after the Action End Date defined in Article 1, point 15.

4. For the avoidance of doubt, all time limits concerning audits, confidentiality obligations, and record-keeping etc. begin to run from the Final Payment.

#### **Article 4 PAYMENT OF THE GRANT**

1. The grant will be paid in the Payment Tranches described in Article 1, point 4.
2. Payment of each of the tranches depends on:
  - a. proper and timely implementation of the Project,
  - b. acceptance of the Project Plan - applicable only for the first tranche,
  - c. meeting milestones/KPIs or deliverables that mark Project's progress, measure performance, and review and trigger the payments described in this Agreement and Project Plan,
  - d. delivering required documents.
3. Payments will be made to the Beneficiary's Bank Account specified in Article 1, point 10.
4. Payments will be made in euros. The Beneficiary shall provide a bank account denominated in euros; otherwise, the Beneficiary will bear the currency conversion costs.
5. Final payment is the final and last payment under this Agreement. The date of the Final Payment shall constitute the reference date from which all post-termination or continuing obligations under this Agreement shall be calculated, including, without limitation, obligations relating to confidentiality, audit rights, and record-keeping.
6. The Consortium and its partners are not liable for payment delays caused by:
  - a. delays due to circumstances beyond the Consortium's control,
  - b. suspension or termination of the Action,
  - c. delays due to an extension of the Action,
  - d. delays resulting from delays in financial settlements with the European Commission.

#### **Article 5 PROJECT PLAN**

1. The Project Plan (see Article 1, point 7) is developed as Project's first deliverable and must be approved by the dedicated Consortium Body.
2. Once approved, it automatically becomes an attachment to the Agreement without requiring further amendments.

#### **Article 6 BUDGET and ELIGIBLE COSTS**

1. The lump sum is a simplified method of settling expenses. Under this method, the Beneficiary is not required to present strictly defined accounting documents to prove the cost incurred (e.g. invoices), but is obliged to demonstrate that the Project has been properly implemented, in line with the Project Plan. The lump sum does not release the Beneficiary from the obligation to collect documentation to confirm the costs under the fiscal regulation.
2. The Project budget is included in the Application Form (Annex 1), which is part of the Agreement and lists planned costs for the Project. If the budget specified in the Application Form (Annex 1) is lower than the maximum grant amount, the grant will be automatically adjusted to match the lower budget. The Project budget will be detailed in specific categories in the Project Plan.
3. Eligible costs are costs related to tasks that have been properly implemented, in line with the Project plan, and accepted by the Dedicated consortium body and incurred during the Programme Period. They may include:
  - a. personnel costs,
  - b. purchases (e.g. equipment, goods, services),
  - c. overheads (up to 25%).

4. Ineligible costs are:
  - a. costs that don't meet the above criteria,
  - b. costs claimed under another publicly funded grant,
  - c. costs incurred outside the Programme Period.
5. The Beneficiary acknowledges that "no double funding" applies to this Grant, meaning the same costs for the same activity cannot be funded twice with public money. This is a key rule for EU funding and must always be followed. The Beneficiary undertakes to follow this rule. The Beneficiary cannot use Grant to cover activities other than those related to the Project.
6. If the Project (or part of it) is not properly implemented, the corresponding lump sum or tranche will be rejected as ineligible, and the Grant will be reduced accordingly.

#### **Article 7 BENEFICIARY'S STATEMENTS - ELIGIBILITY CONDITIONS, CONFLICT OF INTEREST**

1. By signing this Agreement, the Beneficiary declares that it meets the eligibility requirements for participation in the Support Programme, as defined in the Open Call documentation and as stated in the Application form (Annex 1) and Formal check form (Annex II).
2. The Beneficiary confirms that:
  - a. the legal status information provided to the Consortium, in particular those in the Formal check form (Annex II) is true, correct, complete and up to date;
  - b. it has not received any other EU grant for the Project and will notify the Consortium of any future EU grants related to this Project;
  - c. it has stable and sufficient resources (both financial and organisational) to conduct its activities during the Programme Period, and implement the Project and (if required) provide the required Own Contribution;
  - d. it is not excluded from receiving EU funding under national or EU law, or by a decision of a national or EU authority;
  - e. the Project is not excluded under Articles 18 or 19 of Regulation (EU) No 2021/695 (ethics provisions);
  - f. it (or persons with unlimited liability for its debts) is not subject to bankruptcy or similar proceedings (insolvency, liquidation, administration, arrangement with creditors, suspension of business, etc.);
  - g. it is not in breach of tax or social security obligations;
  - h. it is not listed on the EU sanctions list and is not subject to EU restrictive measures under Article 29 TEU or Article 215 TFEU;
  - i. neither the Beneficiary nor its key persons (representatives, decision-makers, beneficial owners, or essential persons for the grant) are in any of the following situations:
    - i. guilty of grave professional misconduct, fraud, links to a criminal organisation, corruption, money laundering, terrorism or related crimes (including financing), child labour or human trafficking;
    - ii. serious failure to comply with obligations under an EU contract or grant;
    - iii. guilty of irregularities as defined in Article 1(2) of Regulation No 2988/95;
    - iv. established in another jurisdiction with the purpose of avoiding fiscal, social or other legal obligations;

- j. the Project is based on Beneficiary's original works, or the Beneficiary may use the works constituting the basis of the Project and any foreseen developments of such works are free from third party claims, unless stated otherwise, and they are not subject to any dispute or claims by third parties;
    - k. there is no conflict of interest between the Beneficiary and any of the Consortium Partners (see Article 11).
3. All the above conditions must be satisfied during the Programme Period; otherwise, the Agreement must be terminated.

## **Article 8 BENEFICIARY'S OBLIGATIONS**

1. The Beneficiary is fully responsible for implementing the Project in line with the Agreement, its Annexes, and all applicable EU, international and national laws.
2. The Beneficiary is also responsible for:

    - ii. changes in legal, financial, technical, organizational or ownership status,
    - iii. any circumstances impacting the Grant award or Agreement compliance.
3. The Grant, funded under the Horizon Europe programme, also requires compliance with obligations toward the European Commission (see Articles 10, 11, 19, 20, 21, 23, 24 and 25).
4. Failure to comply with these obligations may result in the reduction of the Grant or termination of the Agreement, along with any associated funding.
5. The results generated by the Project should be made available as open source and offered as part of the ODEON ecosystem.

## **Article 9 COMMUNICATION**

1. English is the only official language of the Projects and Support Programme and this Agreement. This means that all communication, documents, and reports must be in English.
2. All communication under the Agreement must be in writing, including emails sent to the addresses defined in Article 1, point 11.
3. An email is considered sent when it is sent by the sender. It is considered received when the recipient gets it or, if no confirmation is received, three days after it was sent.
4. Formal paper notifications sent by registered post or courier are considered delivered on the date recorded by the postal service or courier as the delivery date or on the collection deadline at the post office or from the courier.
5. Formal notifications on paper shall be sent to the addresses defined in Article 1, point 12.

## **Article 10 KEEPING RECORDS**

1. The Beneficiary must keep records and supporting documents to prove proper implementation of the Project, including the achievement of results and compliance with the Grant conditions. These records must be retained:

- a. during the Project and for the period specified in Article 1, point 13, or
  - b. longer if there are ongoing checks, reviews, audits, investigations, litigation, or claims under the Agreement. In such cases, records must be kept until these procedures are resolved.
2. The Beneficiary must:
    - a. make records available upon request by the Consortium or EC or authorised entities (OLAF, auditors, EEA) for verifying implementation, compliance, or statistical analysis of the Project (e.g., KPIs, Project Milestones, impact, or growth),
    - b. retain original documents, or digital/digitized copies if authorized by national law. Non-original copies may be accepted if they provide comparable assurance.
  3. For the financial justification of the Grant, the Beneficiary shall keep the record demonstrating that the method used for budget calculations accurately reflects the actual costs recorded in statutory accounts.
  4. Failure to comply with these obligations may result in the reduction of the **Grant** or termination of the Agreement, along with any associated funding.

#### **Article 11 CONFLICT OF INTEREST**

1. The Beneficiary must take all measures to prevent any situation where the Project's impartial and objective implementation could be affected by a conflict of interest (no-conflict of interest rule).
2. Conflict of interest refers to any situation that affects someone's impartiality or objectivity and includes, for example, economic interest, political or national affinity, family or emotional ties, personal relationships, political or national connections, economic interests, or any other direct or indirect interest.
3. In particular, no-conflict of interest rule applies, but is not limited to procurement of goods and services, use of subcontractors, relations and interactions with Consortium Partners.
4. If a conflict of interest arises or is likely to arise, the Beneficiary must promptly notify the authorised person (Article 1, point 11) about it, and take all necessary steps to rectify the situation.
5. The Consortium may assess the measures taken by the Beneficiary and, if deemed insufficient, may require additional corrective actions within a specified timeframe.
6. The Beneficiary hereby declares a lack of any conflict of interest with any of the Consortium Partners.

#### **Article 12 TERMINATION OF THE AGREEMENT**

1. The Beneficiary may terminate the Agreement at any time by notifying the Consortium in writing, specifying the reasons for termination.
2. The Consortium may terminate the Agreement if:
  - a. Beneficiary no longer meets the eligibility criteria,
  - b. Project has lost its scientific or technological relevance,
  - c. Project implementation is significantly delayed,
  - d. Beneficiary violates the double funding prohibition,
  - e. Beneficiary demonstrates a dismissive attitude or lack of engagement, making the continuation of the Project unfounded (the decision is made by the dedicated Consortium Partners, and it's final),
  - f. Beneficiary fails to execute the Project plan or implement ethical recommendations within agreed deadlines,

2. If payment is not made by the due date specified in the debit note, the Consortium or any Consortium Partner will take legal action to recover the amount in accordance with the applicable national law.
3. The Beneficiary agrees that any Consortium Partner may offset the overdue amount against any other payments owed to the Beneficiary by the Consortium or a Consortium Partner.
4. If payment is delayed, the amount owed will increase by late-payment interest, at the statutory interest rate prescribed by applicable law, calculated from the day after the due date until the date of full payment.
5. Any partial payments will first be applied to expenses, charges, and late-payment interest, and then to the principal amount.
6. The Beneficiary is responsible for all costs incurred by the Consortium during the recovery process.

#### **Article 16 PROCESSING OF PERSONAL DATA**

1. Personal data under this Agreement will be handled according to EU and national data protection laws. The Consortium will process the data to manage, monitor, and implement the Agreement, monitor, evaluate, and audit the Project's results.
2. The persons whose personal data are processed have the right to access and correct their personal data.
3. The Beneficiary must follow all data protection laws, including Regulation 2016/679 (GDPR), and limit access to personal data to only what is necessary for fulfilling the Agreement. Any personnel accessing the data must maintain confidentiality.

2. If such an event occurs, the affected Party shall:
  - a. notify the other Party immediately, explaining the situation, expected duration, and impact,
  - b. take all the necessary steps to minimize any damage due to force majeure.
3. The Party prevented by *force majeure* from fulfilling its obligations under the Agreement cannot be considered in breach of them.

#### **Article 18 USE OF LOGOTYPES**

The Beneficiary authorizes the Consortium to use its logotype and non-confidential data for promotional, dissemination and marketing purposes, including activities beyond the scope of the Action.

#### **Article 19 CONFIDENTIALITY**

1. Any document, data, or material labeled in writing as "*sensitive information*" or "*confidential*" (hereinafter Confidential Information) must remain confidential throughout the Project implementation and for the period defined in Article 1, point 13.
2. Sharing of Confidential Information
  - a. The Beneficiary may share confidential information only with its staff or other Project participants who need the information to fulfill the Agreement and who are bound by a confidentiality agreement.

- b. The Consortium Partners may disclose confidential information to their staff or other Consortium Partners, only when necessary to implement the Agreement or to protect the EU's financial interests, provided that all recipients are subject to confidentiality obligations.
    - c. The Consortium Partners may disclose confidential information to the EU institutions and bodies, due to their obligations towards the EC and their bodies..
  3. The duty of confidentiality does not apply in the following cases:

  5. If the recipient becomes aware of any unauthorized use or disclosure of confidential information, it must notify the disclosing party in writing immediately.
  6. If any Party feels the protections above aren't sufficient, each Party can ask the other (in particular, one or more Consortium Partners) to sign a separate NDA to better safeguard any confidential and proprietary information disclosed for the purposes of the Project execution.

#### **Article 20 ETHICS AND RESEARCH INTEGRITY**

The Project must follow the highest ethical standards (including the highest standards of research integrity) and comply with EU, international, and national laws and ethical recommendations indicated in the Project Plan and/or ethics reports.

The Beneficiary commits to and ensures the respect of basic EU values, such as respect for human rights, right to privacy, the right to the protection of personal data, gender equity, the need to ensure protection of the environment etc.
